

Become a Café Volunteer

Volunteering is a great way to learn about Recovery Café!

Volunteers help Recovery Café by welcoming everyone in and creating a culture of acceptance and recovery for those who come through the door. We have many opportunities for people who wish to share their time and gifts with the Recovery Café community.

Café Friends

Café Friends serve as companions in the Café. This crucial volunteer role is at the center of the Café's mission of connection and growth. Eating together, playing a game or listening with an open-heart offers both Members and Volunteers the opportunity to connect as people and enjoy the company of someone you might never have met otherwise.

All volunteers under the age of 18 must be accompanied by an adult and have written permission from a parent or guardian.
